Our Goals for Student Achievement

District Goals

- Will produce globally competitive students.
- Will be led by 21st Century professionals.
- Will be healthy and responsible.
- Leadership will guide innovation in NC public schools.

School Goals

Our vision is to promote and prepare our students to exemplify Respect, Resilience, Responsibility and cultivate healthy Relationships as lifetime learners.

Our mission is to create a safe, inclusive, and collaborative community where staff, parents, and students support and foster a love of learning through innovative strategies that promote respect, resilience, responsibility and relationships.

Communication

Meadowbrook Elementary is committed to establishing and maintaining communication with families throughout the school year. Some of the forms of communication are:

- Agenda
- Tuesday Folders
- Remind
- Seesaw
- Alert Now
- Phone Calls
- Conferences
- Newsletters
- Progress Reports
- Report Cards
- Invitations to Special Events
- School Website

Feel free to contact your child's teacher by phone (828-646-3445), Remind or email. Email addresses are on the school website at http://mes.haywood.k12.nc.us/.

Title I + School-Parent Compact

What is a School-Parent Compact?

A School-Parent Compact is an agreement between parents, students and teachers that explains how they will collaborate to make sure students meet grade-level expectations.

Parents and staff of Meadowbrook Elementary developed this compact together. Teachers suggested home learning strategies, parents added ideas regarding how they could support students at home, and students shared ways that they continue learning at home.

Parents are welcome to contribute comments at any time. Please contact the school at 646-3445.

In the Second Grade Classroom

Second Grade teachers will work with students and families to support students' success in reading and math.

In reading, students will:

- Answer who/what/where/when/why
- Recount fables/folktales
- Determine lesson/moral of the story
- Recognize rhythm and alliteration
- Understand the plot, points of view and cause/effect
- Distinguish long/short vowels, common prefixes and suffixes, and irregular spellings
- Read for fluency and comprehension
- Recount main idea and key details
- Describe characters
- Identify word parts and meaning of unfamiliar words
- Write opinion, narrative and informational text

In math, students will:

- Extend understanding of base-ten notation
- Build fluency with addition and subtraction
- Use standard units of measure
- Describe and analyze shapes
- Build understanding of time and money
- Solve multi-step word problems
- Add and subtract within one thousand
- Understand content-specific vocabulary

In the Second Grade Home

Meadowbrook Elementary parents joined staff to develop ideas about how families can support students' success in reading and math. Families are welcome to add other ideas to the list.

- Use resources shared during school Family Nights
- Borrow resources from our Parent Lending Library
- Look for newsletters and check our school website frequently
- Review students' homework each night
- Read with students and ask questions

Meadowbrook Elementary joined staff, parents and students to develop ideas about how they can succeed in school. Students thought of the following ideas to make connections between learning at home and school

- Play online math and literacy games
- Share newsletters and invitations with family
- Attend school Family Nights with parents
- Read to family members
- Talk with family about new vocabulary words and math concepts
