**Strategies to Increase Parent and Family Engagement–** North Canton Elementary School recognizes the value of parent and family engagement in their child's success. We strongly encourage parents to be involved in all school activities. We utilize a written parent and family engagement policy that is revised annually with input from our stakeholders. We also revise annually our Home/School Compact which is distributed to all families at the beginning of each school year. **No more than 20% of the budget can be spent for food.** Some additional strategies used to increase parent and family engagement are:

**Coordination and Integration of Federal, State, and Local Services** – In \_\_\_\_\_ Elementary School, all federal, state and local services are coordinated. Funding sources are blended to ensure that all children have significant opportunities for quality learning and academic success. We assess the needs of students and design appropriate personal educational plans for those who need additional support. All personnel funded from various sources are utilized to promote student learning and success. Funds from all sources are used to purchase needed supplies and materials to meet the needs of our students. Personnel from all funding sources serve on school level MTSS teams. We also blend funds to maximize professional learning opportunities for all school staff and parent involvement activities for all families. We view the SIP as a working document and all available resources are utilized to implement our SIP.
