## **What is a School- Parent Compact?**

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade level standards.

### **Jointly Developed**

The parents, students, and staff of Riverbend Elementary School developed this School- Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

## *Teachers, Parents, Students - Together for Success*

Riverbend Elementary School and the parents/guardians of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act (ESSA) agree this compact outlines how the parents/ guardians, the entire school staff, and the students at Riverbend Elementary will share the responsibility for improved student academic achievement. This compact also outlines how the school and parents/guardians will build and develop a partnership that will help children achieve the state's high standards.
