

Meet the Teacher

Fifth Grade

Our Classroom

This is my 9th year teaching 5th grade & I couldn't be more excited!

In our classroom, respect is our top priority. We treat each other with kindness, listen when others speak, & value everyone's ideas.

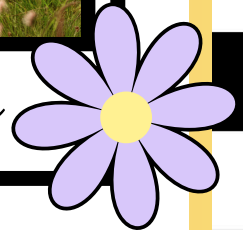

Hard work will be expected because learning takes effort, & we're all here to grow & improve together. Most importantly, curiosity is the key to learning. Asking questions, exploring new ideas, & staying eager to discover more will help us have an exciting & successful year!

Education

I grew up in the public schools in Haywood County. Once graduated from Tuscola, I went to Western Carolina University and completed my degree in Education in 2014.

Mrs. Willoughby

Fun Facts

- I have two dogs, two cats, twenty-four chickens, one uromastyx, & one hognose
- Coffee is the one thing I could never give up
- Traveling the world & trying new foods is always a summer goal
- A rainy day & a good book is the perfect match for me
