## STUDENT DRUG TESTING CONSENT FORM

In order for \_\_\_\_\_ (student) to be able to participate in some or all of the following voluntary activities or privileges offered by the Haywood County Schools: interscholastic athletics, other voluntary competitive extracurricular activities, and campus parking privileges, I hereby understand and agree that:

- \_\_\_\_\_ (student) shall be enrolled in the Haywood County Schools' random drug testing program beginning with this school year and may be drug-tested in accordance with the random drug testing policy at any time during his/her enrollment in Haywood County Schools so long as s/he continues participation in the above described activities.
- Students may be opted out of the Random Drug Testing Program by completing the "Withdrawal of Student Drug Testing" Form. However, if withdrawn, my student will not be allowed to participate in extracurricular activities or park on Haywood County Schools Campuses.
- Drug tests of students under the random drug testing policy are completely voluntary and a student is never forced to undergo a drug test. However, a refusal to take a drug test shall be considered a positive test result under the policy.
- Drug test results may be released to the student, the parent/guardian, the contracted Test Administrator and Medical Review Officer for Haywood County Schools, the Superintendent or designee and the student's school Principal.
- A copy of the Haywood County Board of Education Drug Testing policy may be found online at [www.haywood.k12.nc.us](http://www.haywood.k12.nc.us). If you are unable to view the policy on-line, you may pick up a copy at your student's school.
