## How to Apply for a Scholarship

The scholarship application process is very similar to the college application process. First, your child filters a large list of possible choices into a focused list that matches your child's needs. Then your child creates compelling applications that are supported by achievements, essays, recommendations and interviews. Here are some tips to help your child create strong scholarship applications.

### Start the Research Early

The more time your child can put into a scholarship search, the more options there are. Your child needs time to research scholarship, request information and application materials, and complete applications.

### Organize All Scholarship Materials

Your child should create a separate file for each scholarship and file by application date. Keep a calendar of application deadlines and follow-up appointments. Many scholarships require your child to provide some combination of the following: transcript, standardized test scores, financial aid forms (FAFSA or CSS Profile), parents' financial information (including tax returns, one or more essays, one of more letters of recommendations, proof of eligibility (e.g., membership credentials.)

### Proofread Applications Carefully

Have a family member, teacher, or friend read over your child's essay.

### Don't Leave Items Blank

Your child should contact scholarship sponsors if they are not sure how to fill out any part of the application.

### Follow Instructions to the Letter

Make sure your child does not go over the length limit for the essay.

### Make Sure the Application is Legible

### Make Copies of Everything Your Child Sends

### Double-Check the Application

### Get Applications in Early

Your child misses out if deadlines are missed. Consider using certified mail.

## THANK YOU!

Tuscola's College Application Day was a huge success. We had around 200 students applying for college, researching scholarships, or creating resumes. This was a wonderful day. The students enjoyed great snacks thanks to many parents that brought in chips, crackers, cookies, and much more. Man those students can eat! Thanks again to the parents that supplied the snacks. I might need your help again at the end of the year for the senior picnic!

New scholarship information is available on our website. Students make sure you check the college websites for scholarships specific to that school. There may be separate applications required!!!

## FAFSA Day!

On Saturday, February 23, 2013 college financial aid officers and other financial aid specialists will assist students in the completion and the electronic submission of their Free Application for Federal Student Aid (FAFSA) forms.

#### IMPORTANT NOTES:

- 1.) FAFSA Day takes place before most deadlines for submission of the form, but you should check with the institutions you are considering to make sure their deadlines are not earlier (and if they are earlier, you should not wait until FAFSA Day to submit your form!)
- 2.) Some colleges require additional documents, such as institutional financial aid forms or the CSS PROFILE. The financial aid representatives on site the day of the program will provide general guidance about forms other than the FAFSA; however, they may not be as familiar with other forms and they may advise students to contact the financial aid offices at the colleges the students are considering for additional assistance.

#### PREPARATION::

- 1.) Participants should bring student's and parents' federal 1040 tax forms for 2012 to the FAFSA Day program.
- 2.) Each student AND one parent should obtain a Personal Identification Number (PIN) prior to FAFSA Day from the Department of Education.
- 3.) It will be helpful (though not required) for you to complete as much of the FAFSA on the Web worksheet as possible and bring it with you on FAFSA Day. Don't worry if you don't know all the answers; the experienced financial aid officers will help you. The FAFSA on the Web Worksheet for 2012-13 will be available online after January 1, 2013.

**How?** Register at [www.cfnc.org/fafsaday](http://www.cfnc.org/fafsaday)

**Where?** HCC or Buncombe County

**When?** Saturday, February 23rd from 9:00 A.M. to 12:00 P.M.

Tuscola will also have FAFSA Days March 19th and 20th. More info coming soon!
