**Consequences:** On the occasion that a student is misbehaving a student will first be given a warning (a verbal warning to remind the student of the appropriate procedure). **Attendance:** Attendance will be taken during each class period. Success in this class is directly related to the student's attendance and participation in the course. Students are encouraged to the bathroom at the beginning of class and should only leave for an emergency or office/counselor appointment. When a student misses 7,8,9 those days will need to be made up following the school attendance makeup policy.

**Seating Chart:** All students are expected to come to class on time and to sit in their assigned seat. Failure to do so may result in the student receiving a tardy or an unexcused absence for the class.

**Technology:** Haywood County Board of Education understand that cell phones and other wireless communication devices are important tools for staying in touch with parents and guardians (Policy #4318). Students are allowed to have these devices on campus; however, **per North Carolina House Bill 959**, all cell phones must be **turned off and put away during classroom instruction**. **Cell phone use is only allowed during non-instructional times**, such as before school, during lunch, and between classes. Failure to follow this policy may result in disciplinary action.

**Policies:** All Policies listed in the student handbook will be followed for every art student including: Tardies, Dress Code, Attendance and Discipline.
