

Teacher Cadet 1 Syllabus

Instructor:J. Cody

School: Tuscola High School

Room Number: D3

Contact Information: jcody@haywood.k12.nc.us

Course Description

The Teacher Cadet 1 course is designed to introduce high school students to the field of education, including the art and science of teaching, classroom management, and educational philosophy. Students will explore teaching as a profession and gain hands-on experience through classroom observations, teaching demonstrations, and collaborative projects.

This course is ideal for students interested in pursuing a career in education or enhancing leadership and communication skills.

Course Objectives

By the end of this course, students will:

1. Understand the roles and responsibilities of teachers and the impact of education on society.
 2. Analyze teaching philosophies and classroom management strategies.
 3. Develop lesson plans and deliver instructional content effectively.
 4. Explore diverse learning styles and strategies for inclusive education.
 5. Participate in classroom observations and reflect on effective teaching practices.
 6. Demonstrate leadership, communication, and collaboration skills
-

Units of Study
