

Summer Reading Assignment- Honors English III

Teacher: C. Brookshire

You will be required to read the following:

Fahrenheit 451- Ray Bradbury

The Bean Trees Barbara Kingsolver

Death of a Salesman- Arthur Miller

Read each work carefully! You will be tested when you return to school in August. Please keep in mind that school is starting two weeks earlier than usual, so you need to start reading **early**.

In addition, **I am requiring you to email me with a personal introduction before May 21st**. Personal introductions should include a bit about you, what you like to read, your favorite movie, hobbies, future goals, etc. **Title your introduction email with your first and last name- Honors English III Intro**. Once you have emailed me, I can save your address, and will be emailing you information throughout the summer to ask developing questions about the texts. I expect thoughtful responses. My email is cbrookshire@haywood.k12.nc.us.

I can't wait to get to know you. We are going to have an awesome year!
