Fall 2009

Volume 1 Issue 1

Welcome back to “The Hill”, alumni!

Message from Our Principal

Mountaineer Alumni,

We hope that you will take the time to visit and browse our new Tuscola High School website. With the additions and links associated with this site, I am sure that you will be pleased. We continue to encourage our students to be involved in as many aspects of the school day and high school experience as possible. Our unique scheduling offers students many opportunities throughout their high school years. Our excellence in state, SAT, and AP test scores and the increase in scholarship money that our students receive continue to exceed the state’s expectations. I thank you for being a part of our Tuscola family. We hope that you will contact us if you have questions or concerns.

Respectfully,
Dale McDonald

To Our New Alumni

Class of 2009,

The time is drawing near for us to branch out of our close-knit community in Haywood County into a new niche of our choice. Although it is our time to exit a place where we have left our mark, we will prove just how determined we truly are as we make a difference in our new environment. I have faith that all of you will continue to make a difference through your strong morality no matter where your life leads. Throughout our school years together, I have witnessed you give support and help to the people of our community and school. Together we have accomplished many kind acts such as helping the elderly, assisting the financially needy, and becoming mentors for younger students, and these are only a few examples of our classmates’ efforts to serve our community. I could not have asked for a more caring, humble class to graduate with in 2009. We each have our own unique personalities, but I know for a fact that each one of us has molded one another into the persons we are today. As we will be graduating on June 10, I have been reflecting on the school events we have attended, the challenges we have all faced, and, most importantly, the relationships we have formed. Tuscola has given us a place to gain knowledge and develop different passions together while building the fundamental skills we will need in the future.

Without the faculty and administrators of Tuscola, we would not be the young adults we have become. Whether we realize it or not, they have instilled important values, such as integrity and compassion while ameliorating our gifts and talents. Our teachers have sparked a flame of a desire to

Our mission is to achieve student success through focusing on the whole child as a lifelong learner! 1

learn, and it is up to us to ignite the fire and utilize our knowledge. The gifts we possess, whether it be the hands of a mechanic, the proficiency of a surgeon, or the knowledge of a teacher, have been enhanced through the nurturing of our faculty at Tuscola. We have an enriched education that has prepared us for the next level in our lives to achieve our goals. I extend my best wishes to each one of you in your future; I can not wait to celebrate all of the future accomplishments of our Class and the contributions they will give to improve our world. We will cross paths in the future, or may stay in close contact, but, however far we part, never forget where you came from and the strong values we have learned from our mountain heritage.

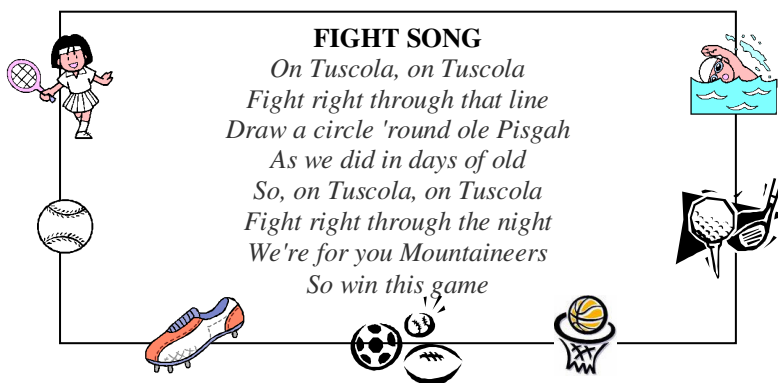

As the final curtain closes on the Class of 2009 and we exit the Tuscola High School stage to embrace new endeavors, I hope we will always continue to serve others through our gifts and talents as we may find that helping others is truly the greatest measure of success after all!

Best of luck,
Grace Williamson
SGA President 2008-2009

Message from the 2009-2010 Student Government Association President

I would like to introduce myself as the SGA President for the school year 2009-2010 and invite you all to our SGA meetings every 2nd and 4th Thursday after school in room D-2. Your attendance and input would be greatly appreciated. Our student government is very excited and striving to make a big impact this year, and any advice, ideas, or help would be absolutely wonderful to have. We want to create a strong bond between our school and community, and that can start with you. If you would like to contact me, my email address is soccerkat727@yahoo.com.

I hope to hear from you soon,
Kathryn Ray

1st Alumni Event

Join us Friday, October 16th, at the Tuscola/Pisgah football game. Sign-in at an alumni table, located at each entrance, and place an order for some alumni apparel. Then, beginning at 5:30 p.m., near the back gate, Doug and Wanda McCracken will be hosting a wild meat potluck. Bring a dish, make a donation, and tailgate a while. (Remember that parking is reserved behind the home side.) Kick-off is at 7:30 p.m.

If you have not been to C. E. Weatherby stadium in a couple of years, you will see a few changes. First of all, artificial turf was installed last year. Secondly, take a stroll along the *Path of Pride* (more information follows). Finally, we moved into a new conference this year – the Appalachian Athletic Conference. Currently, the football team has two wins, one loss, and one tie.

As always, if you cannot attend, you can listen to the game on 1400 AM or stream it online at <http://www.am1400thepeak.com>. For post-game information, go to <http://tuscolafootball.com/> or follow Tuscola Football on Twitter.

The Path of Pride

The *Path of Pride* at C. E. Weatherby stadium is a fundraising project initiated by the Activities Booster Club. This brick walkway recognizes alumni of Waynesville Township High School and Tuscola High School. To purchase a personalized brick for \$100, visit <http://pathofpride.com>. The first completed project funded by the bricks is the 10-foot mountaineer carving located between the concession stand and home side.

Donations

You are aware, no doubt, of our nation's financial crisis and its impact on public schools. Our faith-based community coordinated a Volunteer Workday in August, and the Haywood County Schools Foundation raised \$47,000 through their Save-A-Teacher campaign. How can you help? Make a donation payable to Tuscola High School with how you want the money designated in the subject line of your check. Address the envelope to the attention of Pat Wyatt, who will send you a receipt for tax purposes. All gifts, large and small, will be appreciated.

2008-09 Retirees

We want to wish the following persons much happiness as they begin a new chapter in their lives. Each of them has impacted us in ways that they will never know. Although they are gone from "The Hill", their legacy will forever remain.

Charles Howard
Math Teacher

Jim McClure
Custodian

Susan Kingshill
English Teacher

Tinga Medford
Math Teacher

Email hallen@haywood.k12.nc.us if you have any memories or appreciative words for these folks, and I will make sure that they get them. Please include your maiden name and the year(s) you were in her/his class.
