Please remember that your child is to be signed out from all away games. This is so very important!

If your child is riding back from an away game with someone other than yourself or on the bus, you must send a note to school with them on that date and they must have it signed by Mr. Putnam. Notes need to be turned in prior to school starting at 8am. ***Girls will not be permitted to make different arrangements once the school day has begun!***

Also, it is the girl's responsibility to get any work from classes that they will miss due to early dismissals for ball games. I will keep a very close eye on their grades!
