

HAYWOOD EARLY COLLEGE

ONE PACK • ONE GOAL

Dear 8th Grade Students and Parents,

Thank you for your interest in Haywood Early College. At HEC, we are extremely proud of our students' dedication to their academic endeavors as well as our faculty's commitment to providing a top notch, rigorous program of studies. Haywood Early College ranks fourth among 70 early colleges in North Carolina for career and college readiness. We look forward to this continued success with our incoming freshmen as we embark on the new recruitment season.

As you begin the application process, we would like to provide you with an overview of the HEC experience. HEC students begin their high school career with the intentions of earning an average of two years of transferable college credit as well as their high school diploma. While this may seem unattainable to most eighth grade students we feel strongly that students who are willing to work diligently and accept the multiple supports available will be successful. Our staff is committed to fostering a supportive environment in which students not only are comfortable to challenge themselves individually, but also collaborate with one another and their instructors. Field trips and college campus visits are made available to students to broaden their overall learning experience.

HEC Quick Facts:

- student/teacher ratio: 15:1
- 1:1 iPad program for all freshmen
- honors level high school courses
- associate degrees offered in Arts, Science, and Engineering
- 4-5 year program
- No costs to student (valued at \$5000 tuition + \$3000 textbooks)

We challenge prospective students to ask themselves if they are ready to work as an honors level student, engage in non-traditional learning activities, and commit to earning both a high school diploma and associate degree. Applications are available online or in our front office and are due to Haywood Early College by Thursday, March 8th and may be submitted using one of the following methods:

USPS: 185 Freedlander Drive, Clyde, NC 28721

Email: lorifox@haywood.k12.nc.us OR aplawing@haywood.edu

Fax: 828.627.4555

or by bringing by the HEC main office.

Thank you for your interest in Haywood Early College. For more information, please see enclosed FAQ sheet and visit our website. If you have further questions, please contact us at 828.565.4000.

Sincerely,

HAYWOOD EARLY COLLEGE

ONE PACK • ONE GOAL

Name _____ School _____

The goal of the Haywood Early College (HEC) admissions process is to select and admit a diverse group of students who have a genuine interest in the pursuit of this unique and rigorous program. The selected student population will closely reflect the diversity of Haywood County. Before completing the application, review the following information. If you have any questions, please call us at 565.4000.

Is HEC the right place for you?

- Students commit to completing a high school diploma and a college transfer associate degree.
- All high school classes are taught as honors level courses.
- Students begin college transfer courses in the ninth grade.
- Students often work in teams on projects and presentations.
- Students participate in off-campus learning activities; participation is required.
- Students commit to excellent attendance and arriving to school on time.
- College courses require the same expectations, content, and levels of rigor for HEC students as for traditional college students.
- College courses have no excused absences. Once absences exceed the mandated number, students are dropped from the college course and do not receive credit for the course.
- Cost of college textbooks is covered by Haywood Early College.
- Students are not eligible to participate in their district high school athletic programs, band, chorus, or ROTC programs.
- Students failing to meet standards for academic progress at HEC and/or HCC will be considered for an alternative pathway for graduation.

Commitment Statement: We understand and accept the above information as it may apply to our son or daughter. We understand that Haywood Early College requires a substantial commitment and that signing this document is an agreement of commitment to this program. We also understand that if our son/daughter decides that he/she does not want to continue in the program, we must wait until the end of the first year at HEC to discuss transfer options.

We understand that HEC students are subject to all applicable policies set forth by Haywood County Schools and Haywood Community College.
