

# PE Spring/Summer Newsletter

## Plott Hound P.E

Our students at Hazelwood have been working extremely hard in physical education since the beginning of the New Year. We have learned lots of new and exciting skills! Kindergarten through second grade students have continued learning loco-motor skills, levels, directions, and chasing and fleeing games. Third through fifth grade students have been practicing and refining their skills in basketball, softball, dance, and cooperative games. They also have been working hard to improve fitness scores on the "Pacer Test" that is given periodically throughout the year.

At Hazelwood we recently completed another successful Run/Walk-a-Thon. Even though we were just short of our goal of \$16,000 our students worked extremely hard to collect money and run laps. I have so much fun helping with this event each year and I would like to thank all of the wonderful volunteers for their continued support of Hazelwood Elementary!

As we head in to the summer months, we will continue with activities that will promote active lifestyles among our students. Please do your part to keep your student active this summer to ensure they are living happy and healthy lives.

Thank you for the opportunity to teach your child!

-Casey Conard
