

# Junaluska's Back to School Information

September 2020

We are so excited to see our face to face students on Monday. We cannot wait to have students in the building! We wanted to share some details about what things will look like, and we will also be sharing a video at the end of the week.

## Bus Information

Bus routes and times are very similar to last year. We are asking kids to get out to the bus stop 10 minutes earlier and stay 10 minutes later to help with the first few days.

## Morning Carline

All students will have temperatures taken and asked three COVID questions before they enter the building. (Carline students need to stay in the car until temperature is taken and COVID questions are asked.) Students will enter through the door closest to the cafeteria. All hallways are one way. Students will report to their classroom instead of going to the gym.

## No Visitors

Only students are allowed in the buildings. Unfortunately, parents are not allowed to walk their children in or eat lunch with their students.

## Check-Outs

The front parking lot will be closed after 8:10 AM so that classes can go outside. If you need to check out your child, please park in the side lot or carline and walk around to the front door.

No checkouts after 2:20 PM.

## Breakfast and Lunch

Students will not be able to eat meals in the cafeteria, so meals will be eaten in the classroom or outside. Water fountains are closed, so please send a water bottle to school labeled with your child's name.

## Classrooms

All desks are spaced out in the classrooms. Students will be asked to wash hands and use hand sanitizer often. Classes will be going outside often, please make sure that your child brings a coat if it's cool outside.

## Masks

Masks must be worn at all times, but teachers will be giving mask breaks throughout the day. If your child needs masks, they will be available for pickup on Wednesday (9/30) from 12-2 PM or Thursday (10/1) from 4-6 PM in the carline.

## Recess

Classes will be having recess everyday, but will not be sharing equipment or playground space with other classes.

## Dismissal

Students will be spaced out in carline to make sure that everyone is 6 feet apart.

**Don't forget to bring a towel to school on Monday for the students to eat lunch on outside, and please put your child's initials on the towel.**
