

2024-2025 School Goals

1. Strengthen core instruction in Reading
 - a. Continue to use reading frameworks
 - i. Heggerty
 - ii. Fluency work
 - iii. Science of Reading
 - iv. Core Knowledge Language Arts
 - b. Strengthen core instruction in Math
 - i. Use of Math IXL
 - ii. Pre and Post test Investigations Assessments
 - iii. Data Analysis of information from IXL

Let's Get Together!

Junaluska Elementary School will host events throughout the school year to build the capacity for strong family engagement to support a partnership among the school, parents, and the community to improve student academic achievement.

**Junaluska Elementary School
is Branching Out!**

Junaluska Elementary School will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- ✓ Ensure that information related to school and parent programs, meetings, and other activities is published in both English and Spanish. Information will be posted on the school website, included in the monthly school newsletter, shared through the phone messaging system, and/or through the agenda book for parents and family members.
- ✓ Provide a training for staff at the beginning of the year to educate our staff on the importance of parent and family engagement and how to support student learning, including strategies to improve communication with parents and ideas to increase family engagement with reading and math activities for our students outside of the classroom. Staff will also share best practices during regularly scheduled faculty meetings or PLCs (Professional Learning Community) meetings.
- ✓ Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ✓ Share information in English and Spanish for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- ✓ Communicate with all families and the community on a regular basis regarding school-wide events and activities, through phone messages, the school website, and written notification.
- ✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ✓ Use our PAC (Parent Advisory Council) and School Community Team to improve awareness of the activities and events listed in the school parent and family engagement policy.
- ✓ Collect feedback from parents and family members by providing surveys and input forms. Parents may call the school at (828) 456-2407, to share feedback, concerns, and suggestions for additional support for parent and family engagement activities.
